

VALUELAM 4500HC

The newly-redesigned **ValueLam 4500HC Laminating/Mounting machine** is the ideal value-priced laminator for large-format imaging output up to 44" wide. The ValueLam 4500HC features hot and cold lamination with dual heated rollers, release liner take up, 1/2" mounting capability and extra take up mandrel for automatic roll up of laminated prints. Affordable and functional, the ValueLam 4500HC is capable of running all types of cold and heat-set pressure sensitive laminates and adhesives and encapsulating with true thermal laminates. The ValueLam 4500HC features a "heat assist" mode (top roller heat only) that delivers the perfect heat level to increase initial adhesion and clarity of slow curing pressure sensitive films lessening the time to receive finished output suitable for display. Now you can experience incomparable laminating quality and value with the plug-and-play ValueLam 4500HC Laminating/Mounting machine.

FEATURES

The **ValueLam 4500HC Laminating/Mounting machine** offers carefully designed features intended to quickly get you up and running. The easy-to-use design makes the operator's job simpler with features such as:

- Independently controlled top and bottom heat
- Electronic heat control with LED readout
- Variable speed
- Forward/reverse switch
- 3" (7.62cm) diameter silicone heated rollers
- Clear polycarbonate safety shield
- Emergency stops on both sides
- Mounting capability up to 1/2" (12.7mm)
- Shrouded foot switch
- Disable for foot switch
- Take up mandrel for release liners on P/S film
- Additional take up mandrel for rolling up laminated prints

ValueLam 4500HC Laminating/Mounting machine

(BA-VL45HC)

Plastic Width Capacity	45" (114.3cm)
Speed	0-10' per/minute (3m/min.)
Laminating Rollers	3" (7.62cm) diameter - heated
Film Supply Core Size	3" (7.62cm)
Maximum Film Roll Diameter	6" (14cm)
Machine Dimensions	56"L x 21"H x 30"D (142 x 53 x 76cm)
Shipping Dimensions	67"L x 40"H x 38"D (170 x 102 x 97cm)
Net Weight	212 lbs. (95kg.)
Shipping Weight	370 lbs. (170kg.)
Heater Wattage	2160 watts
Power Requirements	20 amps, 120 VAC, 60Hz

ValueLam 4500HC is available in 220 volt
